

DOWNTOWN MONROE PARKING PERMIT PROGRAM  
RULES AND REGULATIONS  
July 1-June 30

The Downtown Monroe Parking Permit is available for purchase by any interested party on a first come, first served basis and expires June 30.

The Downtown Monroe Permit Parking Map shows the free, metered and restricted parking lots in Downtown. The Downtown Monroe Parking Permit can be used to park in downtown parking lots listed in the table and negates the need to feed meters or adhere to parking lot time limits.

Please note a change for 2017:

- West First & Monroe Street Parking Lot is no longer a location for permitted parking. Please use the Cass Lot located just steps away.

The parking permit can only be used in parking lots and cannot be used for on-street parking.

The Downtown Monroe Parking Permit is not registered to a specific vehicle. Permits can be used in any car but must be visibly hung on the car's rear view mirror in order to be exempt from parking lot meter and time limit regulations. All cars, including those with permits, are still required to obey the 48-hour parking time limit ordinance (a car cannot be parked in the same parking space for more than 48-hours.)

Cost by permit application date:

July - \$240	January - \$120
August - \$220	February - \$100
September - \$200	March - \$80
October - \$180	April - \$60
November - \$160	May - \$40
December - \$140	June - \$20

The cost of the parking permit is prorated by the month. Monthly permits are not available.
